

Focus on Care and Love of Your Baby More

Company profile

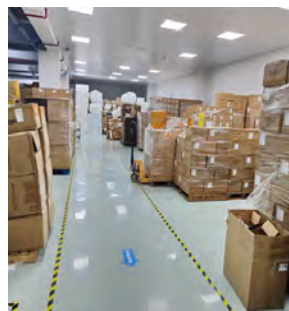

Shenzhen Dayun Links Co., Ltd is a national high-tech enterprise focusing on audio and video solutions, such as video baby monitor, audio baby monitor and sound machine.

As one of the first 5 inch high definition video baby monitor manufacturers, we have gained rich experience in OEM ODM projects and have the capabilities to customize solutions from design to production according to our partners' special requirements.

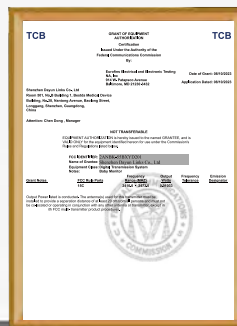

Thanks to our strict quality control from raw materials to production and testing, we are trusted by our clients with stable hardware and software, fine workmanship, great details, delicate packing and full after-sales service. On the premise of adhering to quality first, we will continue to innovate and bring great products and service to our customers and using experience to our end users.
